

**Be a Proud Owner of the Battleship Texas 1911 Colt 45cal.**

The Battleship *Texas* Foundation has partnered with Colt Fire Arms and Baron Engraving to produce a commemorative model 1911 Colt 45cal.

The commemorative 1911 was designed by the Colt Firearms and Baron Engraving, in partnership with The Battleship Texas Foundation. Colt Firearms has been a long-standing leader in the production of quality firearms. Their reputation for quality and price make them an industry leader.

The Colt will feature silver and gold-plated engraving of the 1914 USS *Texas*, the upgraded 1927 USS *Texas*. Serial numbers will be released in tandem with order placement.

This partnership enables ship supporters to own a piece of history and help fund The Battleship Texas Battleship Foundation's efforts.

Orders are currently being accepted. Introductory pricing is being offered at a cost of \$1,799.00 and will be in effect on all orders placed on or before May 31, 2018. Each order will include a paperweight made from original steel removed from The Texas during the latest round of repairs, value of \$150. Orders are tax exempt due to the Foundation's 501c status.

Payment is due when order is placed. The Battleship Texas Foundation will contact buyers directly to coordinate pick up. Payment may be made in cash, check or credit card.
